

Welcome

„Enjoying in line with the nature“. That's the vision of host Angela Fuchs, chef Stephan Wieland and the engine team at Seewiese Altaussee.

We offer our guests a unique retreat in a gloriously surrounding with an authentic kitchen.

Seewiese Altaussee was built in 1870 and we revive this magic place with creative food, freshly caught fish from the "Fischerei Ausseerland", regional specialties and herbs from our own herb garden.

Enjoy the view of the mountains Loser, Trisselwand and Dachstein, as well as the traditional dance floor with musical accompaniment.

You can reach the Seewiese classically by boat or by walking. Convince yourself of this magical and culinary place "Seewiese Altaussee".

Enjoy your meal!

Yours,

Seewiese
